

PRIOR ART

FIG.1

A technical drawing of a mechanical assembly, likely a hinge or joint. The drawing shows a perspective view of a rectangular plate (5) with a central circular feature (11) and two smaller circular features (12). A curved arm (4) is attached to the plate, with a dashed line indicating its internal structure. Dimension lines are used to specify distances: 8 is the distance from the left edge to the center of feature 11; 9 is the distance from the right edge to the center of feature 12; 10 is the distance from the top edge to the center of feature 11; and 10 is the distance from the bottom edge to the center of feature 12. The label 4 points to the curved arm, 5 points to the rectangular plate, 11 points to the central circular feature, and 12 points to the smaller circular features.
